Summer flower program: Lenny, Katie and Fred will research and report at the next meeting, the cost and source of replacing barrels and window boxes that were lost in Irene.

Tracking Expenditures: The committee is awaiting report from Tom, hopefully at the next WBC meeting, how we can be kept abreast of the money spent (bills paid) and running balance in the Capital Fund.

Friends of River Bank Park: Ongoing discussion.

New Business:

Route 9 Chamber kiosk is a perfect location for a future flood sculpture as it is both a scenic and prominent western entrance to Wilmington.

How to commemorate **anniversary of Irene** on August 28 so future generations won't forget the event that reshaped our community.

Committee will think about putting a **brick** referencing the flood in River Bank Park.

Motion was made by Mary and seconded by Carlotta to adjourn the meeting at 9:30.

Next meeting will be **February 13 at 8:30** in the library.

Respectfully Submitted,
