**1/23/14**  
**Wilmington Town Hall**

Members Present: Cindy Hayford, Scott Murphy, Leitha Cipriano, Diane Chapman, Randy Knaggs

Guests: Andy Hauty and Stephanie Powers from Wings Community Programs; Jamie Brown-Elementary Recreation Program Director

- I. Summer Programming Collaboration Discussion
  - Wings grant is due February 7, 2014. They are required to increase summer programming to 4 weeks full days
  - Questions and concerns were discussed
  - Decision was made to collaborate with Wilmington Summer Rec program taking place in the morning and Wings covering the afternoon
  - Expectations for student counselors to be drug and alcohol free would be required
  - Wings would provide any extra staff needed in the am.
  - Pricing would be appropriate for resident and non- residents
  - The win for Wings is they can meet their requirements. The win for Wilmington is that our children will have a richer program and an extra week of programming
  - It was decided to make the commitment to collaborate so that the program could be included in the grant and specific details will be worked out later
  
- II. There will be another meeting to collaborate with other summer camps and programs and set dates to avoid conflicts.
