**Summer Flower Program/Landscaping**

Gateway Garden: Weeding appears to be under control. Roses need to be deadheaded. Alice suggested that we investigate the possibility of placing a sign reading “Wilmington” at the garden. Cheryl will check with Scott.

River’s Edge: Lee suggested that we consider hiring Keith this fall to remove some of the weed trees which have grown up in the shrubs. The work needs to be done by someone who can distinguish between desirable shrubs and weed trees. It could be done in conjunction with the fall weed whacking. Cheryl will check with Scott.

Former Brissette Property: Celia suggested that we plant daffodils on the hillside this fall. They would be visible from the bridge and West Main Street parking lot. Cheryl will check with Scott.

Dixon: Will need to be mulched in the fall.

Reardon’s Crossing: Keith will weed whack under the bench.
