Gateway Garden: Volunteers did a great job of clean up and putting to bed at Gateway last week! Thanks to the volunteers and Lee for organizing them.

Dixon Parking Lot: Weeding is needed in the new hedge. Will schedule for Greenup Day 2016.

RBP Lighting

Fred provide a cost estimate for 3 LED lights for the pergola, 4 mushroom lights for the paver walkway, a small spotlight to light the sign on the corner, and lights for the trees. Fred noted that the test LED light has been installed in the center crossbar on the pergola. Members agreed that one light will be sufficient to light the wooden walkway.

Lee moved and Fred seconded a motion to “Authorize the purchase and installation of: 1 LED light on the pergola, 5 mushroom lights for the paver walkway, 1 light for the sign, commercial grade twinkle lights for the cross bars of the pergola, and additional outlets for the twinkle lights.” The motion passed.

Fred will get revised estimates from several vendors for the work and report at the next meeting.

Community Garden

Scott advised that he is working with Mt Snow regarding the availability of water. A new pump and/or electric meter may need to be installed. Mary and Karen will meet at the site on Monday.
