

Recreation Committee Meeting Minutes
12/15/16

Present: Cindy Hayford, Karen Molina, Leitha Cipriano, Jamie Brown

I. Still looking to clarify the role of the Wilmington Recreation Commission. What is our “charge” from the town?

II. Discussed the desire to support adult recreation in Wilmington. Approved sponsoring Indoor Soccer and Pickle ball at the old school facility. (Motion-Cindy, Second-Leitha-approved) These programs would be promoted and implemented by Receptions Commission members at no cost to the town. They would be covered under the town liability insurance.

III. Review of the Middle School Summer Recreation Program with Jamie:

- Last year 42 students attended. This year 25 students attended
- Brainstormed ideas to improve the program.
 - Go with 4 weeks instead of 5. The 5th week conflicts with soccer camp and numbers are too low to run the program.
 - For one week run a full day program with interesting afternoon activities
 - Jamie will connect with Gracie and some middle school student for ideas
 - Explore lifeguard possibilities- kids love going to the lake

V. The town report will be done by Karen.

VI. Fifth Recreation Commission member- Mace Sebby expressed interest.
