Pettee Memorial Library

Ally from Pettee Memorial Library asked if the WBC could take over the library's gardens. Alice suggested that she ask the Friends of the Library to do some gardening prior to their monthly meeting with Alice's supervision. Brandon from the town could do spring and fall clean-up and Keith could take care of edging the gardens. The town also takes care the mowing and weed whacking.

Summer Flower Program/Landscaping

Barrels and Planters: Frank Sprague is making hangers for hayracks for Reardon's bridge and he will then hang them. Mary will order flowers for them.

The new town sidewalks for West Main St. will probably be done in Sept. so barrels will be put out where they normally go in that area.

Gardens: Keith will do some clean-up and put out mulch in the gardens and take down stakes from new trees at Oxbow. We will meet at Gateway at 9:00 am on April 28, 2016 to do clean up and spread mulch.

Seasonal Decorations: We are trying to locate some of the bunting for Memorial Day. If it can't be located we will order more.

Next Meeting Monday, May 9, at 9:00 am Location: Town Hall
