Gardens: Brandon has done spring trimming at the West Parking lot. Fred suggested that this be done three times per year. Lee indicated that all of our gardens need weeding. The flower barrel at the tennis court will be moved to the fire department. The mulch for Oxbow will be delivered in May.

Community Garden: the lease between the Town and Mount Snow has been signed. Karen Horton will do a budget for the project and the garden should be operational this spring. Fred will find someone to plow the area.

Reardon Footbridge Ramp: We recently met with Bill Hunt, Merrill Mundel, Doug Furlon, and Craig Ohlson to discuss what type of ramp could be built there. Craig contacted both the State and FEMA and FEMA wants to see plans before they can approve. Merrill put together a rough draft which we will send to them for review. If approved, then it can be started in June.

Memorial Hall flowers: Mulch and other materials have been provided to Julie Moore, who is working on the Hall front space. The exterior doors to the Hall are currently being replaced with the front ones being replaced last, probably after Memorial Day.
