Landscape Committee and Flower Barrels

Need edges of Gateway Garden burned with weed whacker. Chris will tend to that. Also, needs to be weeded after a rain.

Alice unhappy with the health of some plants in Riverbank Park. She will replace them.

Also, Fred will hang flag there for the 4th of July. Bunting will be removed and stored in either Town Hall or Memorial Hall.

WBC would like to see the area where hostas were planted behind the Roost restaurant cleaned up. Also not happy with dumpster in plain sight. Scott will ask Gretchen Havreluck to talk to the owners about this matter.

Consensus at meeting concerning Rt. 100N flower barrels is that the area around them hasn't been well maintained and that flowers look weak. also, locations aren't great.

Community Garden

Fence is not up yet. Clean mulch and fertilizer have been donated.

Town Manager Update

Signage will be put out for the 4th of July festivities.

It was noted that West Main St benches were not out yet. Scott will check on this

Next Meeting July 11 at 8:00 am at Town Hall

Adjourn Motion: Katy, Second: Lee Meeting adjourned at 8:45 am

Respectfully Submitted,

Katy Little
