

MINUTES OF WILMINGTON BEAUTIFICATION COMMITTEE
Monday, August 10, 2015 8:00 am

1. Meeting was called to order by Cheryl and the minutes of the last meeting were approved.
2. Flower Barrels: A report submitted by Mary Pike Sprenger was read And her comments about new barrels and this year's flowers were discussed. It was agreed that the idea of different plant models was successful. A few minor changes were suggested such as a bit more color in the shade barrels. It was agreed that the program is a huge success.
3. Landscaping: Report was made on the various Town gardens.
4. Buntings: Fred and Cheryl will collect the buntings from the various businesses, wash them and store them for next year. It was suggested that bunting be put on the Reardon Bridge next year
5. Lighting for the pergola. The lighting was discussed and it was suggested that two plans be presented to the Selectboard in September and have the SB select a lighting plan. Lee will explore using hidden LED pin lights. It was suggested that the two plans also be presented to the Design Committee of Wilmington Works.
6. Next meeting is August 24 at 8:00 at Town Hall.
7. Meeting adjourned at 8:55.

Respectfully submitted, Lee Schindel, Acting Secretary
