Gateway Garden: Two Nine-Bark shrubs were ordered to replace several shrubs which did not make it through the winter. Celia will pick them up at Newfane today. Lee, Adele, Keith and Celia will meet this afternoon to plant Nine-Bark.

Dixon: Alice will plant day lilies donated from her garden to replace grasses which did not make it through the winter. Keith will get town mulch and spread.

Oxbow: Keith advised that the maples appear to be stressed. Lee will follow up. Since they've been in for less than a year, they should be watered regularly. Lee will contact Adam Buursma to place water bags around the trees. Two Annabels which died over the winter have been replaced.

West Main St. Parking Lot: Lee Scott met with Stephanie Zumbruski of One Stop Home Care to discuss cleanup and which areas should be planted. Lee marked all the perennials which are growing and should be preserved.

River Bank Park Fred and Alice met with Phil Taylor to discuss lighting at RBP. Phil has begun design of ambient lighting. Celia made a motion, seconded by Keith, to allocate \$1,000 to purchase materials and pay for initial design work. Motion passed.

Town Manager Update Scott advised that he is working with Mary Wright on the location of the community garden. They hope to identify the location and have everything in place by next spring.
