

Recreation Committee Meeting Minutes
10/30/12

Present: Cindy Hayford, Karen Molina, Scott Murphy

I. Review of Summer Recreation Program:

- Attendance numbers for this year's program were reviewed. The attendance for the elementary program was very low. Middle School Program was satisfactory. (Data sheets were handed out- corrections need to be made on total attendance days)
- Last year's attendance data was not available for comparison due to the flood
- Discussion about changing the elementary program took place. Scott handed out examples of other town's programs for review- ideas for changes will be discussed at the next meeting
- Budget will remain the same for the upcoming year
- We may want to schedule the summer program during the off weeks of the Wings Summer Program (2 weeks)

II. Buzzy Towne Park:

- Discussion about replacing the playground. Does it make sense? It floods every year and the mulch is washed away. Other options? Possibly Lisle Hill? There is presently \$7,137 in the capital account and \$1,000 from a grant (Pediatrics Group)

III. Next Meeting:

- We should meet in the next couple of weeks. Cindy will send out a Doodle link for scheduling.
