This camp, designed to respect the developmental needs of younger students, is an opportunity for kindergarten & soon to be first graders to strengthen skills while having fun. Stepping Stones promises a creative, active and enriching environment that will make children excited to be part of the school community. Gardening, yoga, story times and dance are just some of the adventures awaiting our 5 and 6 year olds that are “stepping” into our summer camp for the first time. Campers can attend just one week or all four, half day or full day options are available.
