PRO

Readily accessible to persons coming into or leaving town

Visible to passers by

Right in one of our busiest areas pin map wise as far a crash data

Plenty of parking in front for visitors

Rear parking for employees or other law enforcement

Enough space for a fenced in impound lot

Easily converted to a police department with drive through sally ports
into a booking processing area

Plenty of office space big lobby

Attached meeting room for training or conference room

Out of the flood plain

Safer environment for police officer's to bring arrestees in

Con's:

Not as close to center for local people to stop in further from town
offices.
