HOW DOES LICENSING WORK BY MAIL?

1. RABIES CERTIFICATE:

Is your dog's certificate up to date? An **empty expiration space** on your license renewal form may mean you need an updated Rabies Certificate. To obtain a dog license the Rabies vaccination must be current. **Please check your certificate!**

2. SPAYING/NEUTERING CERTIFICATE:

If your dog has been spayed or neutered since last year, please provide us with a copy of the certificate. Please note that spayed or neutered dog licenses are \$14.00. If your dog has not been spayed or neutered the fee is \$18.00.

3. SIGN TOP AND BOTTOM OF ENCLOSED LICENSE:

Please be sure to sign top and bottom license on the lines that says Signature of Keeper.

4. INCLUDE PAYMENT:

The amount due is on the license (\$14 OR \$18) cash or checks made payable to Town of Wilmington.
