Kiosk: Hydrangeas need to be cut back.

Dixon: Adele suggests planting daylilies in plot closest to library, the soil is terrible there and they would most likely survive.

Flower Barrel Program:

Cheryl redoing list of barrel locations. The recent storm did damage the begonias. The plants in front of town hall will be changed back to begonias. The begonias in the barrel in front of the Vermont House keep dying. Suspected cause is urinating pedestrians -remains unconfirmed. Mary has had to replace them twice.
