Others Present: Scott Tucker, Christine Richter, Jessica DeFrancesco, Deb Kingsley, Lenny Chapman

Meeting Called to order at 8:11 am

1. Visitors, Public Comments, Changes to Agenda
2. FY20 Budget Discussion
Listers- Two estimates have been received for the specialty appraisals; \$55,000 and \$15,000. The lower one has done Mt Snow and Okemo in the last 10 years. The higher estimate was based on a system that involves more work than we would be doing. Discussed putting money into the capital account each year to fund the next reappraisal, rather than large lump sums over two years.
Revenue- Glebe land, tax interest and penalties kept the same; zoning fees have dropped significantly; Police fees and fines has been reduced due to the lack of officers on the road; surplus of approximately \$200,000 which will help offset the \$304,000 that needs to be raised for the reappraisal. Should there be a reserve for grievances?
1%- Reviewed the 1% current standing.
3. Other Business

Meeting adjourned at 9:16 am.
