Others Present: Scott Tucker, Jessica DeFrancesco, Christine Richter, Mike Tuller, John Lazelle, Jeff Longe, Darby Howe, Bret Brown, Travis Brassor, Sheldon Brassor, Eric St Denis., Matt Murano

Meeting called to order at 8:32 am

1. Visitors, Public Comments, Changes to agenda
 - Under other business discuss proposed dates for budget meetings
2. Discuss Health Insurance Plan Options for 2020
 - There is a difference in premiums between MVP and BCBS. MVP is a NY and VT provider. Outside of this they are contracted with Cigna. Some local specialists do not accept MVP currently. Reconfiguring the HRA could help with cost savings. Fitzgerald commented that Cigna was used by his employer one year and it was only for one year due to coverage issues. Manwaring moved to accept the BCBS Platinum Plan, with a modification to the HRA so employees pay half their share first, then the Town pays their full share, then the employee pay their remaining share, Gannon second; all in favor.
3. Other business
 - 11/21, 12/4 and 12/11 at 8:30 am are the proposed dates for the budget. The goal is to try to complete the budget at these three meetings.

Meeting adjourned at 9:09 am
