**Barrel Program:**

This is the last year of the present contract. We will do the same next year with flowers and location of barrels in 2021 as we did in 2020.

**Landscape Committee:**

Keith has changed the signs in planters at town lines to winter. He will also do cuttings on Apple Tree. He has put up lights on Pergola.

Adele and Alice cleaned up parking lot and cut back plantings on River Bank. Alice mentioned that the kiosk needs cleaning up and brochures are running very low. Cheryl mentioned that she asked the town to repair a broken picnic bench and it has been done.

Anne suggested that we start a Facebook page with pictures of barrels, etc. Adele suggested it would be a good place to ask for clean-up help when needed. Keith recommended that Mel and Bev be the administrators of the Facebook page. All agreed. Cheryl will speak with Scott and find out all the rules and regulations. Anne suggested that we have a motion to go ahead with Facebook page if it acceptable.
