Treasurer's Report

Next Meeting

Lee intends to resign no longer a resident. – Adele will speak with her.

Landscape Committee

Gateway garden is overgrown. Forsythia needs to be trimmed. Scheduling a workday for Thursday September 16th @ 9am.

Barrel Program

Want to get rid of King Tut plants in barrels. Mary can talk with Martin. The committee needs to be aware that plants need to be specified in new RFP. Jessica shares that you can leave the RFP open if a plant has not yet been decided on.

Ideas for plant to be further discussed next meeting.

Some barrels are out of commission – breaking apart etc.

5 new barrels are stored in town garage. Adele suggests buying more barrels, so we have some in storage if we use all new barrels.

Cheryl asks committee to consider if any barrels are no longer effective – should we keep all current locations for next season?

Discussion on storing barrel in water building.
