Landscaping

Anne passes out calendar of gardening duties from Lee.

Discussion on duties and need for weeding early in spring.

Lee has officially resigned, 9 members allowed in BC committee – 2 people being considered to join committee. Maybe ask town to add on alternates instead of allowing more committee members.

Planning to take down buntings today or this week.

To get more buntings- old ones have been thrown out.

Barrels

Look at various suggested plants- Cheryl to speak with Mary/grower.

We have 8 new barrels- thinking about adding some to the new building.

Trebbe – put pruning and beautification of this garden on top of list. Going to look at and prune 9/28/21 @ 9AM

Barrel @ old fire department may be moving – depends on flagpole activity.

Barrel @ St Mary's disappears- perennials have grown up so much.

Adams – taking barrel out.

Taking out barrel at Restland.

RFP to be sent out. Going to be sent out the end of October.
