Barrel Program:

Most of the barrels have been picked up and will now be stored in the old Firehouse. The committee agreed that the flowers were nice this year. Keith suggested that there be something in the middle to bring height to the barrel. Cheryl will speak to Mary to figure out what options that are available without too much height.

Landscape Committee:

Lights will be put up at Riverbank and Reardon Bridge on November 14 at 10:00 AM. The committee will meet at Reardon Bridge. When the lights are taken down they will be stored in the old Firehouse, along with bunting and barrels.

Keith is looking into commercial lights for the pergola. Adele has offered greens from her yard for planters on the bridge and Bank Park.

Bev has looked into options for the planters at Town Hall to have legs added to them. This will keep the planters from hanging on the Town Hall siding and will stand close to sides to prevent pedestrians

Next Meeting: November 28 at 8:00 a.m.
