**Treasurer's Report:** None at this time.

**Landscape Committee:** Clean-up at Gateway postponed to November 13.

**Winter Decorations:** Adele will call Sheila for roping and solid red berries with the need to replace the berries that were too worn to make it another season. Date of the decorating will hopefully be the week of the November 13<sup>th</sup>. Cheryl will send out an email.

**Barrel Program and Other Plantings:** Plants for the barrels next summer will consist of red, hot pink and white. They will have a touch of yellow and topped with either baby tuck or millet. Bev's barrel will be replaced due to a car hitting it and destroying it. We are running out of small barrels but have the funds to buy new ones. Cheryl still plans to find out if the owners of A1 Coffee and Starfire Bakery have an interest in participating to add barrels there. Scott said there were many compliments on the barrels and other plantings in town. He said they were gorgeous. The hydrandreas at the town sign will be cut back by Cheryl. Gateway has been divided and hopefully this will help.

**Next Meeting:** Will be a working meeting on Monday, November 13, at Gateway for final clean-up.
