- 1. Buzzy Towne Site Visit**
- 2. Meeting Continuation at The Vault, OSEC**
- 3. Changes to Agenda – none**
- 4. Buzzy Towne Park Discussion** – *A rendering of the proposed park needs to be reviewed by the Town Select Board and the Development Review Board. We are currently researching sources to create the rendering. SK to investigate whether an existing land survey can be used for the rendering. Evolving consensus as to equipment types tends to be moving to more “free play” type structures, including art & music type components. Possibly a stage type structure for performances. SK & SM to meet with VT DEC Flood Plain representative on 10/29/25.*
- 5. Fall Plans** – *No update yet regarding the AARP grant; SM to follow upon 10/24/25. SM mentioned an activity that went on in previous years, not by the WRC, but that may be interesting to reinvent, the “Hike 100”. SM to look more into this.*
