

## **Veteran's Park Pre-Bid Q&A**

Q: Is the Memorial Stone Quote as provided in the share folder the Preferred Supplier?

A: You are free to seek other quotes for the stones. Proofs will need to be approved by Craven's Design.

Q: Confirm no bid-bond is required, and only statement of bonding capacity is required as part of bid. Also, are there suggested forms, or is an AIA acceptable for these?

A: A statement of bonding capacity as part of bid is acceptable. Using the AIA forms is acceptable.

Q: Specify 3rd Party Testing Frequency for materials, particularly compaction and concrete testing?

A: We will issue an updated plan tomorrow with the specs for the concrete sidewalk, including compaction.

Q: Warranty/Guarantee period for plantings, or will Town Maintain after acceptance after 90-days?

A: For the plantings, we recommend a 1-year establishment and warranty period.
