TOWN OF WILMINGTON TRANSFER STATION

REGULATIONS GOVERNING USE OF THE TRANSFER STATION

1. Please be aware that at all times, you enter the transfer station **at your own risk.**
2. Only non-hazardous household waste may be brought to the transfer station. **Hazardous household waste** (*see below) **MAY NOT** go into the transfer station. If you have any questions about material, call before bringing it. A free Hazardous Waste Collection is held annually.
3. Fifty-five-gallon drums may be brought to the transfer station and deposited in appropriate place if **both ends of the drum are cut out.**
4. No one may go through the scrap metal pile.
5. **Payment:** Payment for disposal of solid waste at the transfer station may be by cash or check made out to Town of Wilmington.

* **Examples of Household Hazardous Wastes That Should NOT be brought to the Transfer Station: (save them for the free hazardous waste collection!)**

FLAMMABLE LIQUIDS: turpentine, furniture strippers, spot removers, wood preservatives

HOUSEHOLD PRODUCTS: drain cleaners, toilet bowl cleaners, oven cleaners, furniture polish, air fresheners, outdated medicines, old chemistry sets, photographic chemicals, pool chemicals, laundry bleach

PESTICIDES: moth balls and flakes, insecticides, herbicides, fungicides

AUTOMOBILE PRODUCTS: anti-freeze, brake fluid, waste oil

There are on-going collection facilities at the Windham County Solid Waste District on Ferry Road in Brattleboro. Call 257-0272 for more information: Waste oil, large tires, Oil Paint, Fluorescent light bulbs, Computers, Oil tanks cut in half

TOWN OF WILMINGTON RECYCLING FACILITY R U L E S !

Please don't contaminate the recycling load! It then must be landfilled and raises costs for everyone!

IF IN DOUBT-LEAVE IT OUT! Questions? 802-464-5666
